Instructor Name: Philip Chan  Phone: 321-674-7280
Office Location: 214 Harris Center  Email: pkc@cs.fit.edu
Office Hours: MW 11am-1pm
Course website: https://cs.fit.edu/~pkc/classes/ml/

Course Objectives
1. understand and implement basic machine learning algorithms
2. propose and evaluate improvements to an algorithm as a mini-research project

Required Texts / Materials:

Required Training (if applicable): pre-requisites
• Artificial Intelligence (CSE 4301/5290) or Analysis of Algorithms (CSE 4081/5211) [or consent of the instructor].
• Basic probability and statistics.
• Proficient knowledge in data structures, algorithms, and programming.
• Machine learning / data science libraries cannot be used

Grading Policy (including late work policy):
• Assignments (50%) and term project (20%)
• Final exam (30%)
• A: 90%, B: 80%, C: 70%, D: 60%
• Late assignments are accepted, but 20% is deducted for each day.

Course Attendance Policy:
• students are expected to attend classes

Where to Find Extra Help:
• n/a

• Students are encouraged to help each other on assignments, but plagiarism (copying) is prohibited.
  ◦ first violation: zero on assignment/test
  ◦ second violation: 'F' for the course

Title IX Statement: The university’s Title IX policy is available at https://www.fit.edu/policies/title-ix/

Title IX of the Education Amendments of 1972 is a federal civil rights law that prohibits discrimination on the basis of sex in federally funded education programs and activities. Florida Institute of Technology policy also prohibits discrimination on the basis of sex.

Florida Tech faculty are committed to helping create a safe learning environment for all students that is free from all forms of discrimination and sexual harassment, including sexual assault, domestic violence, dating violence, and stalking. If you, or someone you know, have experienced or is experiencing any of these behaviors, know that help and support are available.

Florida Tech strongly encourages all members of the community to take action, seek support, and report any incident of sexual harassment or gender discrimination to Fanak Baarmand, Title IX Coordinator at 321-674-8885 or fbaarman@fit.edu.

Please note that as your professor, I am required to report any incidents to the Title IX Coordinator. If you wish to speak to an employee who does not have this reporting responsibility, please contact the Student Counseling Center at 321-674-8050.

Academic Accommodations: Florida Tech is committed to equal opportunity for persons w/disabilities in the participation of activities operated/sponsored by the university. Therefore, students w/docudmented disabilities are entitled to reasonable educational accommodations. The Office of Accessibility Resources (OAR) supports students by assisting w/accommodations, providing recommended interventions, and engaging in case management services. It is the student's responsibility to make a request to OAR before any accommodations can be approved/implemented. Also, students w/approved accommodations are encouraged to speak w/the course instructor to discuss any arrangements and/or concerns relating to their accommodations for the class. Office of Accessibility Resources (OAR): Telephone: 321-674-8285 / Email: accessibilityresources@fit.edu Website: https://www.fit.edu/accessibility-resources

Recording Disclosure (Privacy Waiver): This course may be recorded for use by students and/or faculty. Enrolled students are subject to having their images and voices recorded during the classroom presentations, remote access learning, online course discussions, and remote office hours/meetings. Course participants should have no expectation of privacy regarding their participation in this class. Recordings may not be reproduced, shared with those not registered in the courses, or uploaded to other online environments. All recordings will be deleted at the conclusion of the academic term.

Covid-19 University Policy: As per Florida Tech’s "Return to Learn Fall 2020" policy, the "use of face coverings [is] mandatory for students." By attending this class in person students agree to follow all health guidelines listed in that document, as well as practicing social distancing in the classroom itself.
Anyone with COVID-19 symptoms should stay at home and seek medical attention. Students failing to follow masking and social distancing will not be allowed to remain in class. For more information, please visit Florida Tech’s Coronavirus Central at https://www.fit.edu/coronavirus/ (Links to an external site.).
