Overview

Ocean Engineering Members:

- Stephen Coster
- Henry Hill
- Gabor Papp

Previous CSE Members:

- Mike Dowling
- Zealand Brennan

TEC-V:
*T*opographic
*E*xploration
*C*ave
*V*ehicle

Mission Plan

Deploy

Collect

Stitch

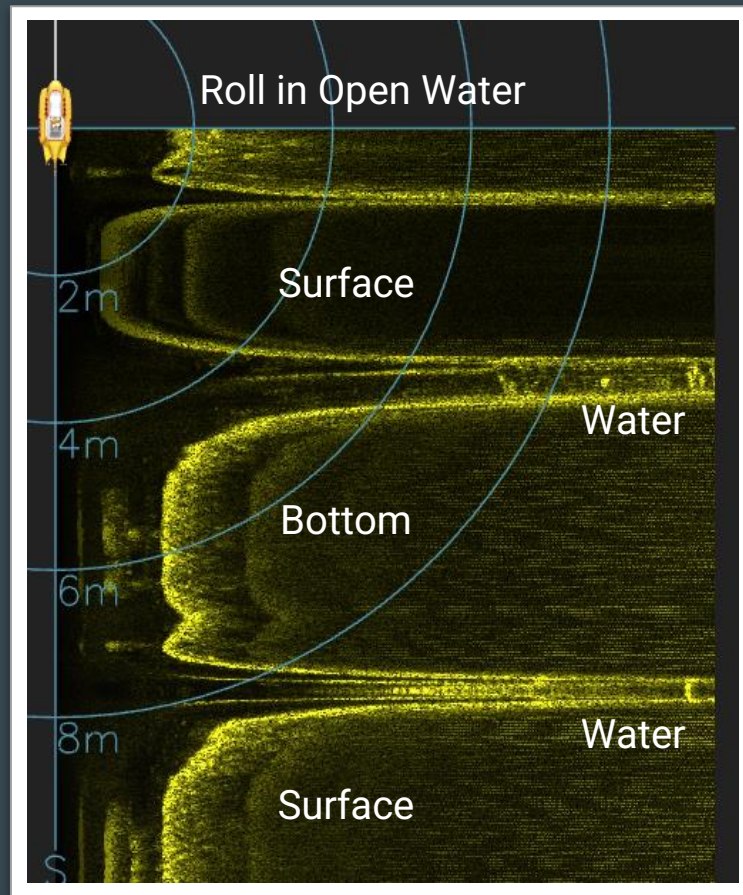

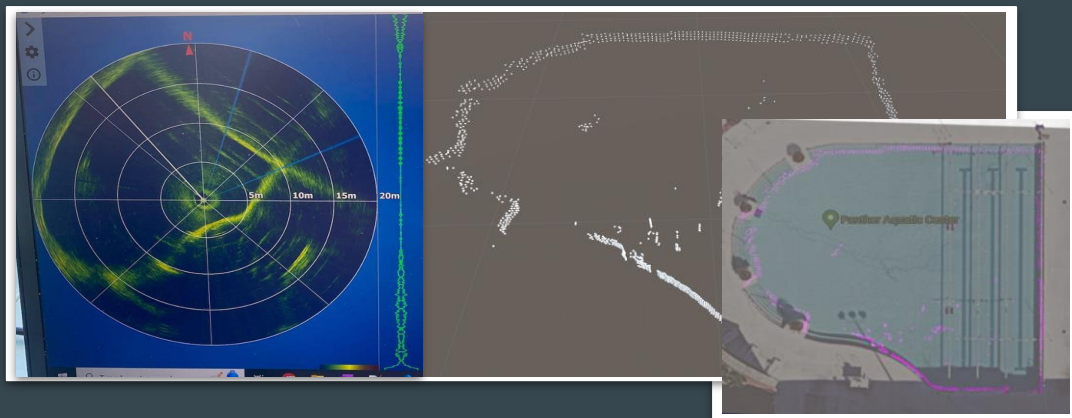

Method

Side Scan Sonar

Approach

- **Collect Data in CSV File**
- **Display as 3D Cloudplot**
- **Filter Sonar Noise**
- **Mesh Cylinders Together**

Desirable Skills/Knowledge

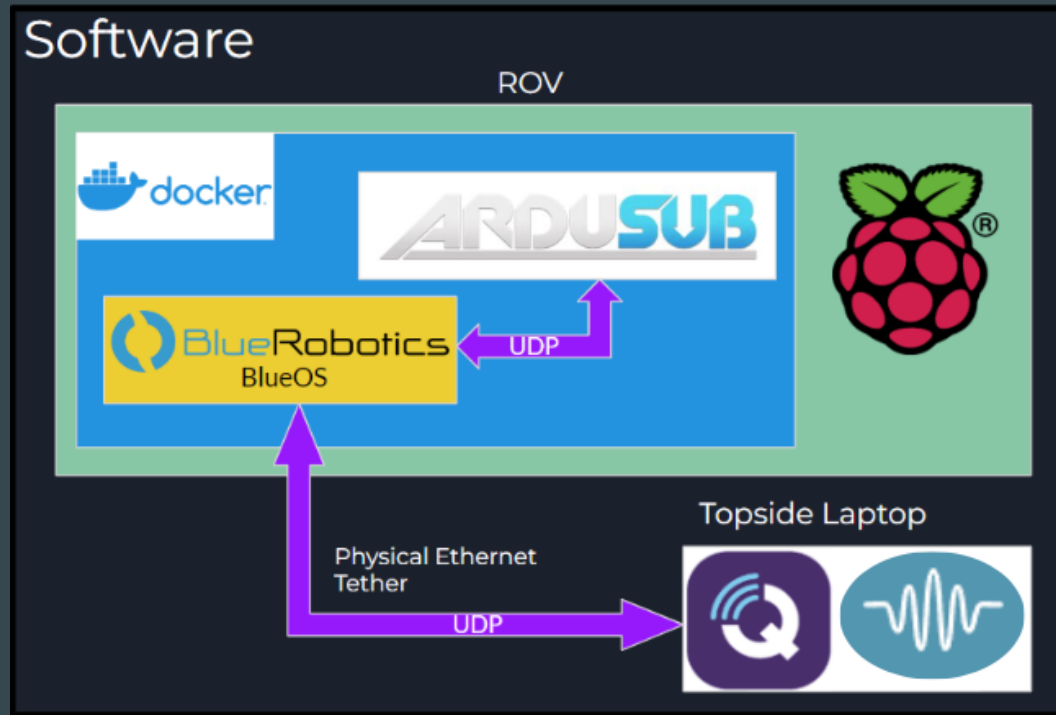

- Software Hardware Interface
- 3D Data Plotting
- Optimization for Run Speed
- Bash Scripting
- UI Development

Additional Information

- BlueRobotics Components
- Cerulean 450FS Sonar
- ROV Software is Open
- Source/Architecture
- Code in C++ or Python
