

Senior Design Project Pitch

Dr. Raghuveer Mohan

Home Network Solutions

→ **I have the following devices:**

- A desktop
- A work laptop
- A travel laptop
- An office laptop (in my office at FIT)
- 2 external hard drives
- TV
- Mobile phone
- ...

Home Network Solutions

- **I have the following devices:**

- A desktop
- A work laptop
- A travel laptop
- An office laptop (in my office at FIT)
- 2 external hard drives
- TV
- Mobile phone
- ...

- **Several apps for home network**

- **File Manager** application that allows files access across multiple devices including mobile.
 - Allows for easy file sync between selected folders
 - Git like version control feature

Home Network Solutions

- **I have the following devices:**
 - A desktop
 - A work laptop
 - A travel laptop
 - An office laptop (in my office at FIT)
 - 2 external hard drives
 - TV
 - Mobile phone
 - ...
- **Several apps for home network**
 - **File Manager** application that allows files access across multiple devices including mobile.
 - Allows for easy file sync between selected folders
 - Git like version control feature
 - **Ad block (and track blocker)** across all devices (using Pi-hole or other hardware)
