Internet and Security: A Closer Look

Friday, January 16, 2015, 7–8pm

Room 118, Olin Engineering Complex (OEC), FIT

More info: <http://www.cs.fit.edu/~pkc/dept/internet/>

Professors Phil Chan, Heather Crawford, and Richard Ford, from the Department of Computer Sciences and Cybersecurity at Florida Tech will discuss the Internet and security. The recent cyberattacks on the Sony Corporation illustrate the significance of the Internet and its security to commerce, politics, and nearly every aspect of modern society.

Free and open to the public

Sponsored by the Department of Computer Sciences and Cybersecurity
