4. **Greedy Algorithms II**

- Borůvka's algorithm demo

---

**Borůvka's algorithm demo**

Repeat until only one tree.
- Apply blue rule to cutset corresponding to each blue tree.
- Color all selected arcs blue.
Borůvka's algorithm demo

Repeat until only one tree.
- Apply blue rule to cutset corresponding to each blue tree.
- Color all selected arcs blue.

Repeat until only one tree.
- Apply blue rule to cutset corresponding to each blue tree.
- Color all selected arcs blue.
